THE INTERNATIONAL JOURNAL OF FUNGAL TAXONOMY & NOMENCLATURE

---

MYCOTAXON is a quarterly, peer-reviewed journal devoted to mycological taxonomy and nomenclature. All articles are reviewed by specialists prior to submission. Publication is open to everyone. Papers may be in English or in French. Summaries in those or any additional languages desired by the authors are given for longer articles. Printing is on high quality, acid-free book paper. Authors prepare their own *text-ready* files after having received critical comments from pre-submission reviewers and nomenclatural review by the Nomenclature Editor. *Instructions to Authors* (Mycotaxon 94: 401–411, 2005) and *Guidelines for Reviewers* are updated and can be downloaded from our website at <[WWW.MYCOTAXON.COM/AUTHORS/DOWNLOADS.HTML](http://WWW.MYCOTAXON.COM/AUTHORS/DOWNLOADS.HTML)>. Submission procedures are presented in the last pages of each volume.
